For instance it says the procedure for bleeding the fuel system is on page 75. Its not its on page 81 and I dont think its complete. Can anyone recommend a different manual for this engine that will cover basic maintenance procedures.

I dont have the address right now its on the boat; but if you would like it I will get it later today and put it on the board this evening. Its probably the same as the one that you have anyway !! Alan. Nettuno, Italy. Alan Cloke Had a few offers for around 40. Unfortunately havent kept the addresses but they were pretty easy to find. Actually came from French Bros at Brightlingsea 01206 302133 about 30. The standard of technical knowledge can thus also be variable. You need to find who on the stand works for Barrus, the import agents, as they seem very knowledgeable.
